## **CHILD CARE BENEFIT and CHILD CARE REBATE**

The Australian Government provides families with financial assistance to help cover the cost of approved child care through the Child Care Benefit and Child Care Rebate.

You can apply for the Child Care Benefit (CCB) in person or online through Centrelink. Please note you need to apply for the CCB in order to claim the Child Care Rebate (CCR). If your income is too high for CCB you may still be eligible for the CCR.

To apply online visit:

<https://www.humanservices.gov.au/individuals/services/centrelink/child-care-benefit>

Or

Call **the** Department of Human Services / Centrelink on 13 61 50

Centrelink will provide you with a CRN (Customer Reference Number). Each individual person has their own unique number. Please provide this number with your enrolment form in the space provided to ensure you receive your entitled benefits. The enrolling parent needs to provide their own personal CRN and date of birth for claims to be processed without complication. **If you are claiming Child Care Benefit for the first time, please arrange this prior to the commencement of care.**

If you believe you are not entitled to the CCB, it is still in your best interest to register your details with Centrelink and our service to ensure you receive the Child Care Rebate automatically. All families are entitled to the Child Care Rebate.
